The Brett Tashman Foundation would like you to join us as a partner in supporting the third annual Brett Tashman Golf Tournament to find a cure for Desmoplastic Small Round Cell Tumor (DSRCT). DSRCT is a deadly form of pediatric cancer that annually takes the lives of many children and young adults.

For five years, Brett battled this disease with optimism and courage. He never approached his fight with a “why me” mentality. Rather, he spent his time living life to its fullest, enriching the lives of all those who knew him. You would have never known Brett was living with a rare form of cancer. Despite his bravery, Brett Tashman succumbed to DSRCT for which there is no cure.

To celebrate Brett’s life and honor his legacy, the Foundation is hosting its third annual golf tournament. We look forward to your participation in this event at Sierra Lakes Golf Course in Fontana, CA on June 30, 2018.

All proceeds from the golf tournament will go directly to The University of Texas MD Anderson Cancer Center, for DSRCT research. M.D. Anderson is the number one cancer hospital in the nation with unmatched research-driven facilities.

Your gifts are tax deductible as the foundation is a publicly recognized charity under section 501(c)(3) of the Internal Revenue Code. The Foundation’s tax id is 47-5568250.

Please join us in making this event a memorable, successful, and meaningful one. Your gift truly does make a difference.

Sincerely,

*Lauren Tashman MD*
